Cohort-Based Integrated Research Community for Undergraduate Innovation and Trailblazing

CIRCUIT PROVIDES RESOURCES, CONFIDENCE, AND KNOWLEDGE TO CONVERT TRAILBLAZING STUDENT POTENTIAL ENERGY TO KINETIC ENERGY

Potential Research Areas
- Artificial intelligence
- Data science
- Cyber security
- Precision medicine
- Planetary exploration
- And more!

Apply Now!
CIRCUITINSTITUTE.ORG

Program Highlights
- Technical Courses
- Paid Cohort Opportunity
- Experiential Learning and Leadership
- Mentoring by STEM Professionals
- Mission-Oriented Research at the JHU Applied Physics Laboratory
- Year-Round Opportunities for Engagement and Enrichment

Trailblazers Selected Based on the Following:
- Potential
- Need
- Commitment

Application Priority Deadline
January 15, 2021
